## **Ladies Club Scoring Competitions**

**Weekly Competitions**\_ Win free drinks by winning weekly competitions- donated by Erin Heights

-Closest to Old Bag, Closest to the Cup You will see the markers on 2 holes every night.

**Participate in the 50/50 draw**- Every Tuesday a winner is drawn.

*Here is how it works.* We enter your name on the 50/50 sheet kept at the pro-shop. Entry fee is \$2.00 per night. If you paid \$2.00 that day and your name is drawn, you win the pot. If you did not pay \$2.00 that day and your name is selected, the money goes back into the pot, and is added to the following weeks cash prize. We use an honor system. Please put money into the money jar, and check your name when you pay. You can and probably should pay in advance, i.e: pay for 10 nights or 20 nights at a time. This way you won't forget, and lose out.

### **Ringer Board-**

**We are not having a ringer board this year**, as we have found many ladies do not participate in it or they lose interest over the year. In the past, the ringer board was used for most improved non-member for the Brenda Broughton Trophy.

**This year we will have a competition on Sept 9th for the Brenda Broughton Trophy that involves all ladies league non-members to participate in.**

**Play your best game that night for Brenda! Submit your scorecards to pro shop. The Pro Shop will pick 3 hidden holes. Player with best net score wins Brenda Broughton Trophy Rain Date: Sept 23rd**

### **Chip Ins-**

A "Chip In" is when you chip the ball into the hole, from anywhere without having to putt. You may have been 90 yards away and put it directly into the hole, or you may have to putt from off of the green (a Texas Chip-In) If you get a chip-in, please record it on Chip In Sheet. Indicate the hole(s) you received it on.

Prizes awarded for the most chip-ins at the end of the season

### ***BIRDIE & PAR TREE***

- Ladies night only- do not enter for games played outside of Tuesday evenings.

When you score a birdie or a par on any hole on the course, sign your name on the appropriate paper Apple or Bird.

*For Par, print your name on the Apple or Pear*

*For Birdie, print your name on the Bird*

Tack it on the tree near the hole you scored it on. We play 18 holes, the front nine and the back nine. At the end of the month the birdies and the apples will be gathered up and drawn for prizes for both pars and birds. The more you have on the tree, the better your odds.

### ***Bogey Board***

*You may play this game, Only If you consistently score an average of 60+ on 9 holes*

*Here is how it works:* When you score 1 shot over par on any hole, place your name and hole number on the golf balls provided in the plastic bag, and tack it on the Bogey Board. At the end of each month the golf balls will be gathered and a draw will be held for a prize. The more golf balls you have on "Bogey Board", the better your odds.
