A “Chip In” is when you chip the ball into the hole, from anywhere off the green. You may have been 90 yards away and put it directly into the hole, or you may have to putt from off of the green (a Texas Chip-In) If you get a chip- in , please record it on Chip In Sheet. Indicate the hole(s) you received it on.

Prizes awarded for the most chip- ins at the of the season for both Members and Non Members.

BIRDIE & PAR TREE

Ladies night only- When you score a birdie or a par on any hole on the course, sign your name on the appropriate paper Apple or Bird.

For Par, print your name on the Apple or Pear

For Birdie, print your name on the Bird

Tack it on the tree near the hole you scored it on. We play 18 holes, the front nine and the back nine. At the end of the month the birdies and the apples will be gathered up and drawn for prizes for both pars and birds. The more you have on the tree, the better your odds.

Bogey Board

You may play this game, Only If you consistently score an average of 60+ on 9 holes. Here is how it works: When you score 1 shot over par on any hole, place your name and hole number on the golf balls provided in the plastic bag, and tack it on the Bogey Board. At the end of each month the golf balls will be gathered and a draw will be held for a prize. The more golf balls you have on "Bogey Board", the better your odds
